Pilley Heritage

25th Anniversary Edition

(For Internal Circulation) | December 2016

*Remembering the Past
Celebrating the Future*

The above was the theme for our 25th Anniversary Dinner held on 9 September 2016 at Kingwood Hotel, SibU. It was a joyous and memorable celebration for our Pilleyian students, ex-Pilleyians, staff, directors, and our invited guests especially Dr Gail Pilley.

Dinner began with welcoming the arrival of guests with signatures and photo taking for remembrance in front of the photo booth. Dance and song items performed by our students enlivened up the fun. There was the cake cutting by the past and present boards, and guests to mark this auspicious occasion.

The highlight of the celebration was the presentation of souvenirs to the 13 academic staff and 4 administrative staff for their Long Service Award in recognition for their dedication and loyalty. Both

Mdm Helen Lim Siok Kee and Mdm Wong Hie Ing have served the longest. Seven academic staff who have served for more than twenty years are Ms Eta Ting Ming Na, Mdm Wong Siew Lee, Mr Khew Tu Nien, Mr John Su Kee Tiong, Mdm Wong Pek Bee, Mdm Ching Jun Sieng and Mdm Wong Hie Fung. Both Ms Kong Mee Lin and Mdm Wong King Hung of the administrative staff have served for twenty years also.

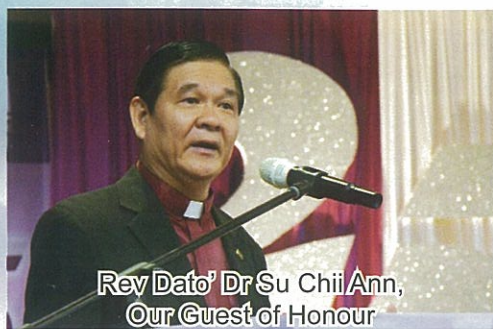

The three academic staff who have taught at MPI for 19 years are Mdm Tiong Ngang Ngang, Mdm Lee Ai Ching and Mdm Wong Ping. Ms Doreen Ting Su Lin together with Mdm Judy Wong Liong Yung have served for more than 17 years. Mr Hii King Kai has also served for more than 15 years at MPI first as a lecturer and now as our Principal.
