Personal Bond Requirements under Education Malaysia Global Services (EMGS)

The Malaysian Immigration Department requires educational institutions in Malaysia to execute a Personal Bond on behalf of international students in connection with the issuance of a Student Pass. Under this arrangement, Pilley Education Enterprise Sdn. Bhd. ("the Company") guarantees the student's compliance with Malaysian immigration laws and regulations for a specified amount and period.

To fulfil this requirement, the Company requires international students to pay the applicable Personal Bond amount, as specified in the Personal Bond Rates Table.

The Personal Bond Form must be duly completed, signed and stamped during the Student Pass application process and before the student's arrival in Malaysia.

The Personal Bond is an immigration-related refundable deposit, not a general security deposit. It is held by the Company in connection with its obligations to the Malaysian Immigration Department. Where a student breaches the applicable immigration requirements and the Company incurs a liability under the Personal Bond, the deposit may be applied towards that liability, subject to applicable laws and the terms of the Personal Bond.

Payment of Personal Bond

The Personal Bond shall be paid directly to the Company. Payment must be made upon approval of the Student Pass and before the commencement of classes.

Students are required to provide proof of payment to the Marketing Team, who will forward it to the Finance Department for verification and record purposes. The applicable Personal Bond amount shall be based on the prevailing rates prescribed by the Malaysian Immigration Department and EMGS, which are subject to changes. Please refer to the Malaysian Immigration Department and EMGS websites for the latest rates.

- has complied with the Institute’s requirements for Student Pass cancellation and departure from Malaysia, where applicable;
- has settled any outstanding fees or liabilities, where permitted under the applicable student agreement; and

5. Preparation for Pre-Departure

Clothes and Weather

Malaysia is a tropical country located near the equator, with average temperatures ranging from 21°C to 34°C and high humidity. Light and breathable clothing such as T-shirts, slacks, jeans, shorts, and shirts are most suitable and comfortable. Fabrics like cotton and polyester work best in this climate.

Electrical Equipment

Malaysia uses a standard electrical supply of 240 volts at 50 Hz. To use electrical devices from your home country, you may need a plug adapter for Malaysia's 3-pin square socket. These adapters are widely available at reasonable prices in convenience stores and supermarkets throughout Malaysia.

Luggage

Ensure all your luggage items are clearly labeled. It is also advisable to place a note with your contact details and destination inside your luggage in case the external labels get damaged during transit or baggage handling.

Getting a taxi

If you don't have airport pick-up arranged, you can take a taxi.

- Sibul Airport to MPI: Taxi fares are around RM30 – RM40.
- There is a taxi counter in front of the arrival hall where you can buy coupons.
- The counter closes at midnight, if you arrive later, take a taxi outside the arrival area. A midnight surcharge (double fare) applies.
- From MPI to Sibul city: Taxi fares are around RM10 – RM15.

For your safety, do not take rides from strangers.

7. Money Matters

The currency in Malaysia is the Ringgit Malaysia (RM). Please check the latest exchange rates for up-to-date information. Having a credit card is useful, but it is recommended to bring funds in the form of traveler's cheques rather than carrying large amounts of cash. We advise opening a local bank account soon after your arrival in Malaysia. For details on how to open a bank account, please refer to the details in this handbook. Ensure you have sufficient funds to cover your expenses for the first 3 to 6 months of your studies.

<https://visa.educationmalaysia.gov.my/guidelines/insurance-new-2025>

For better coverage, students are encouraged to purchase additional personal medical insurance at their own expense.

In case of emergency, dial 999 for ambulance, fire, or police services. Please check with the International Student Office for nearby emergency centres and your insurance provider's preferred hospitals. Always carry your medical insurance card to avoid delays during hospital admission.

Inform the International Student Office immediately if you experience any medical emergency or hospital admission.
